

HOW THEOLOGY HEALS PSYCHOLOGY – GODSTUFF.TV #012

THE PROBLEM	THE SOLUTION	What It Means	Meditate On	How it Heals Your Psychology
SIN	ATONEMENT	God took away my sins when I believed in Jesus.	Psalm 103:12, Isaiah 38:17, Colossians 1:14	Healing for your guilt and shame. I am fully forgiven forever. No longer haunted by the past.
PENALTY OF SIN	EXPIATION	God punished Christ for my sins instead of punishing me.	2 Corinthians 5:21, 1 Peter 2:24, Isaiah 53:5,6	Healing for self-harm, or always trying to pay a price. Freedom from self-defeating, self-destructive patterns.
NO RIGHTEOUSNESS	JUSTIFICATION	God declared me righteous (good enough for God) based on the gift of Christ's own righteousness given to me.	Romans 4:5, 5:1, Philippians 3:8,9, Galatians 2:16	The struggle to prove yourself is over. You can live with nothing left to prove. You don't have to prove your value or worth. Heals a broken sense of identity.
HOLINESS OF GOD	PROPITIATION	God is satisfied with me, once for all, because of the sacrifice of Christ.	Romans 3:24, 1 John 2:2	This is the basis of self-acceptance and self-esteem. God is satisfied with you even if nobody else is. Delivers from seeing God as a bully.
SPIRITUAL DEATH	REGENERATION	God makes me spiritually alive.	John 3:3, Titus 3:5	You have the power to be the person you dreamed you could be. You have a genuine connection with God. Heals a sense of inadequacy or weakness.
SPIRITUAL BONDAGE	REDEMPTION	God sets me free from every dark force that holds me back.	Colossians 1:14, 1 Peter 1:18, 19	The basis for freedom from addiction, despair, and every bondage and stronghold in your life. Freedom from dysfunction.
THERE IS THEREFORE NOW NO CONDEMNATION FOR THOSE WHO ARE IN CHRIST JESUS. ~ROMANS 8:1
